

Butte JSEC Meeting

February 27, 2007

Attendance: Sharlet Best, Butte Plaza Mall; Elissa Mitchell, HRC, XII; Kathy Henningsen, Spherion; Linda Lowney, HRC Youth; Miles Finlen, WMMHC; Pam Celli, BSW; Carolyn Sanders, BSW; Jodi Peretti, Amherst Animal Hospital; and Michelle Vincent, Butte Job Service.

Treasurer's Report: Correction on January's balance. A mistake was made in subtracting and the ending balance should have been \$1247.59. This matches the balance at the bank. So, our beginning balance is \$1241.59. There were no new checks written.

Old Business:

Scholarships: Michelle presented several scholarship applications from around the state. After much discussion and review, it was decided to use the Lake County Job Service Employer Committee's form. Michelle will type this out and send it via e-mail for members present to check it over. Then she will send it out to the schools.

Pasty Sale: Jodi reported that some racks are missing from the ovens at the St. Ann Hall. We will either have to find some extra racks or choose a different place to make the pasties. This project may have to be put off until the fall as everyone is very busy this spring.

JSEC Conference: Michelle talked about the upcoming JSEC Conference in Bozeman on May 21-24, 2007. We talked about the speakers and activities that will be at the State Conference. It was stated that if you could not attend the full conference, Tuesday, May 22, 2007 would be the best day for employers to attend as it has the most information for employers. Some of the members expressed their interest in this. Material on speakers was given to the members.

New Business:

Steve Beck: It was discussed about bringing Steve Beck back for the second part of the Customer Service Training in October. We also discussed getting corporate sponsorship as we did the last time. More will be discussed at the March Meeting.

Job Service Report: No Report.

Next Meeting: March 27, 2007 at 11:00 at the Butte Job Service
